DEDICATION: MRS. JOY SCHILLING

Since 1985, Mrs. Schilling has shared her talents and enthusiasm with students in the Wakefield Public Schools. Mrs. Schilling has transformed art education into the essential program that it is today and has inspired generations of artists. She bequeathed WMHS students with some of our most vivid memories (pumpkin carving and Fright Night, window painting during the holidays, VPAD). We are grateful for her candor, her care, and for helping us to develop a love of the arts. We wish Mrs. Schilling the happiest retirement. We will miss you!

"I have come to believe that a great teacher is a great artist and that there are as few as there are any other great artists. Teaching might even be the greatest of the arts since the medium is the human mind and spirit."

LETTER TO THE STUDENTS

Ms. Amy McLeod
Principal

Dear Class of 2021,

Difficult challenges have been part of the landscape since you entered WMHS as freshmen - school shootings, tumultuous elections, a global pandemic, a country struggling with racial equity and justice, and an insurrection at our nation's capital are just a few of the events that you have witnessed. These challenges have rocked our country, have entered into part of our national psyche, and have definitely impacted each of you differently.

However, these challenges have also shown you that for every challenge, there are silver linings. As Amanda Gorman, the National Youth Poet Laureate writes, "For there is always light, if only we're brave enough to see it, if only we're brave enough to be it." Even in times that seem chaotic, we must find ways to positively shape our reality and focus our efforts toward creating something better. Almost anything can be overcome with enough hard work, belief in ourselves and our abilities, and sacrifice and struggle focused on growth and change. Despite a context filled with troubling events, you have focused, worked hard, and successfully navigated through four years at WMHS. I am proud to congratulate all of you as you finish up this year and prepare to graduate as a class, stronger and more determined than ever before to go out and effect change in our world.

The Class of 2021 has shown that resiliency, adaptability, and determination are part of your core; these values have led you to success in the classroom, on the playing fields, and on our stages and concert halls. I hope you carry these values with you as you head out into the world and focus on the exciting next steps in your lives - career, college, or military service.

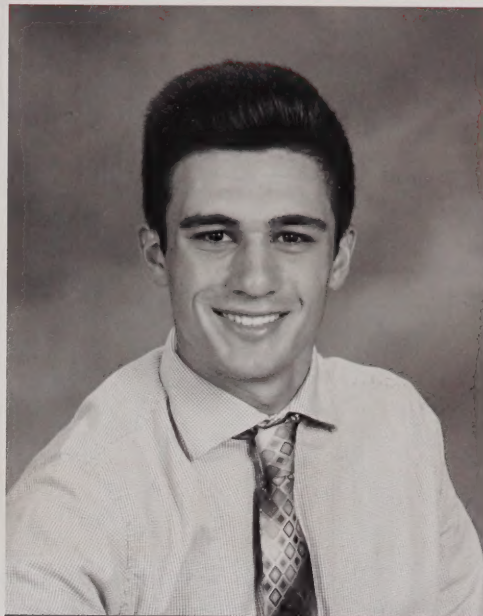

On behalf of the entire WMHS administration, faculty, and staff, I want you to know how incredibly proud we are of each one of you. The Class of 2021 has so many great things in store for their future - we wish you the best of luck in every one of your endeavors!

Congratulations!

THE WAKEFIELD WARRIORS
ARE GETTING MARRIED
(JUST NOT TO EACH OTHER)

IN A SURVEY, 51% OF SENIORS SAID
THAT THEY WOULD NOT MARRY
SOMEONE ELSE FROM WMHS.

29.7% OF STUDENTS SAID THEY
MIGHT MARRY A FELLOW
WARRIOR. WHEREAS 11.5%
SAID THEY WOULD MARRY
SOMEONE LOCAL. 4.8% OF
STUDENTS STATED THAT
MARRIAGE WASN'T PART OF
THEIR LIFE PLANS.

Oh, baby!

In a senior survey, 70% of WMHS seniors stated that they wanted 2 or 3 children. 10% of those surveyed stated that they did not want any children. One student respondent is hoping to set a more prolific family legacy and aims to have 4999 children. We're gonna need a bigger high school.

Home, sweet, home.

CITY LIVING

In a senior survey, 35.73% of seniors reported that they want to live in Boston or another US city. While some students hope to get off the grid and live remotely, a fair amount hope to keep local, with nearly 16% of student respondents hoping to live back in the 01880.

International 5.88%
Remote 7.84%
Transient 18.9%
Wakefield. 15.686%

The Ideal WMHS... from the Class of '21

IF ONLY WE HAD A MAGIC WAND

Survey says we want...

- A third floor swimming pool with scuba class
- A hockey rink
- More elective options for classes such as Chinese, Physics E&M, American Sign Language, Arabic, Portuguese, and Current Events
- Air conditioning and heating (that work)
- A working elevator
- A student gym
- Healthy lunch options in a nice cafeteria, possibly with an outdoor seating area
- Locker rooms that are not 120 degrees in October
- A music department building complete with doors that are wide enough for all instruments to fit through and an auditorium
- No freshman
- Stocked vending machines throughout the building
- Windows in every classroom
- Cleaner bathrooms
- Ceilings with no leaks or falling mice

If you could change one WMHS rule/policy, what would it be?

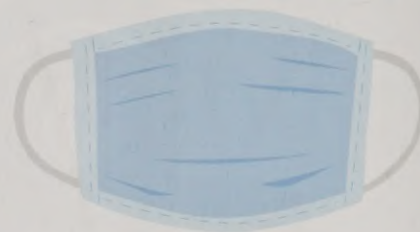

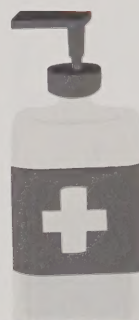

SOME OF THE MOST POPULAR RESPONSES INCLUDED...

- "I want to change the rule that we can't wear hoods/hats. Sometimes I just have a bad hair day or my head is cold and I can't do anything about it."
- "I want to be able to leave the school during lunch or ASC."
- "All students should be dismissed from their finals if they have an A in the class, not just seniors."
- "WMHS should allow sleeping/naptime because most kids don't get enough sleep."
- "WMHS should stop locking the student lot doors after 7:30."
- "Dress code should be loosened because people like to express themselves through clothing."
- "I would change 'student lot' to 'senior lot' and make it only senior parking."
- "Students should have the option to take their AP Exams, not be forced to."

The Essentials

THE THINGS THAT WE CANNOT LEAVE THE HOUSE WITH IN 2021

Most student responses on the survey indicated that the Class of 2021 cannot leave the house without their phone, keys, water bottle, chapstick, wallet, and most importantly, mask and hand sanitizer. Other notable responses indicated that one student couldn't leave the house without his Old Spice Deodorant specifically in the scent "Swagger," and another said their Cowboy Hat was essential at all times.

THE CRINGIEST MIDDLE SCHOOL MEMORIES

Our middle school years were certainly ones that we all try to block out, due to the variety of weird trends. In a recent survey, seniors reported that the most cringy of these memories include the fashionable, neon Justice clothing, constantly flipping water bottles, fidget spinners, side pony tails, the Mannequin Challenge and Lululemon headbands. Flower crowns and bows from Claires were very popular, especially when paired with a pair of Uggs. Trips to Market Street on half days were the norm, often taking pictures with the "duck face."

Goals by our 20 Year Class Reunion

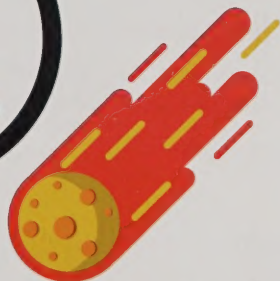

BY 2041 WE WILL BE 38 YEARS OLD AND HOPE TO
HAVE....

- "Gone skydiving"
- "Been married and have a few kids."
- "I will not be going to the reunion. I will either be dead or too successful. If neither of those then I'll crash it."
- "Be happy."
- "Gone to Time Square for New Year's Eve at least once."
- "Gotten a tattoo."
- "Gone on a road trip across America with my friends."
- "Release an album."
- "Traveled to all 30 MLB ballparks."
- "A white range rover with a red interior."
- "Own a house."
- "Vote in a presidential election."
- "Travel the world with my best friends."

OUR BIGGEST FEARS

The results of a recent survey
said that we fear...

- Student loans/debt
- Not living up my parent's expectations
- Being homeless
- Ending up back in Wakefield
- Masks/Social Distancing will be the norm
- Growing up too fast
- Loneliness
- Friendships being tampered by distance between colleges
- COVID will never go away
- A meteor shower will occur randomly
- Communism/the collapse of the US government

COVID-19

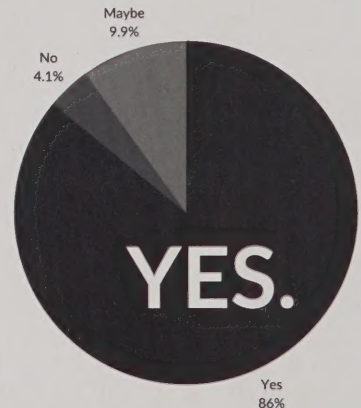

Thursday, March 12, 2020

Dear Wakefield Faculty and Staff,

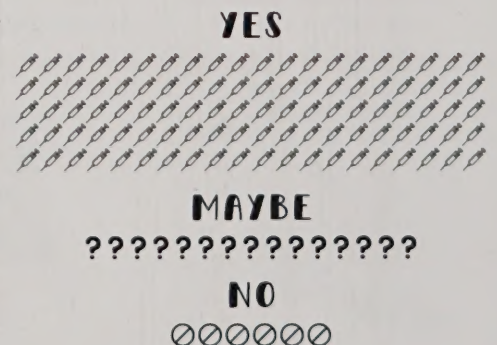

Thank you all for your patience and support during this difficult time. We are working to stay up to speed with on-going guidance from the Massachusetts Department of Public Health (MassDPH), the Department of Elementary and Secondary Education (DESE), and our local Board of Health and Town Leaders. We are taking precautionary measures and have decided to close the Wakefield Public Schools for two weeks, effective Monday, March 16, 2020 to at least Friday, March 27, 2020. We anticipate opening all school buildings on Monday, March 30, 2020.

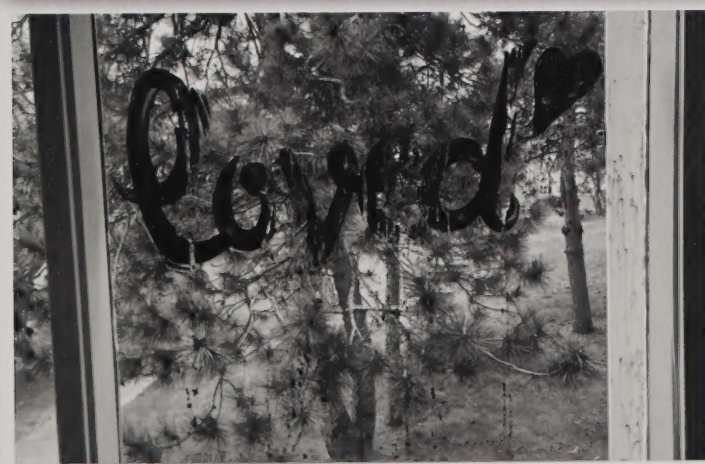

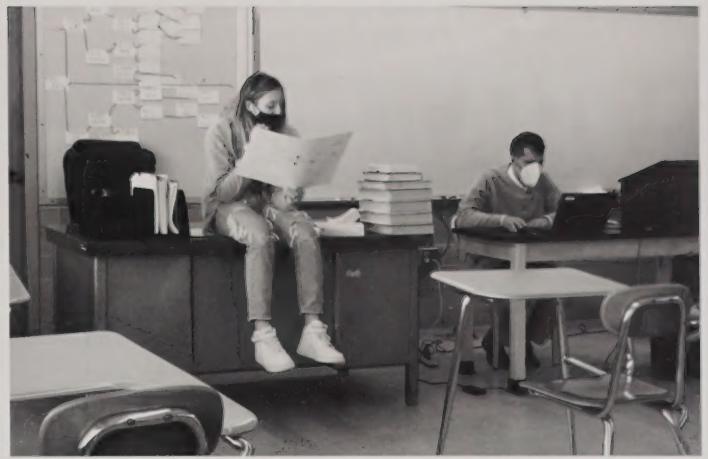

Do you think masks to prevent the transmission of COVID?
